*Come and worship
Rejoice in fellowship
Love and serve the Lord!*

Dear All Saints' Family,

There was considerable activity here at All Saints' today! It was wonderful to hear the sounds of kids singing, laughing, and learning. Today we hosted a visit from the John Hope House Summer Youth Camp.

Deirdre and Becky showed the kids the new Pollinator garden and talked about Rain gardens. Andrea organized and led a butterfly art project. The rest of us served as the hospitality crew. After the kids ate lunch, we ended the visit with a brief demonstration of the tin whistle and

the pipe organ. Becky played a rousing version of *Happy Birthday* on the organ to celebrate kids with birthdays this week.

Many thanks to Andrea, Outreach, and the Garden Ministry.

Your impressive efforts make this visit possible. Here are a few photos:

Getting ready for the arrival:

Waiting on Westminster St. to greet the campers.

Gathering song: *Down by the Bay*

Teaching about pollinators:

Leaving the church. Time to head back to John Hope.

All are warmly welcome to our Service of Holy Eucharist on Sunday at 9:30am. We will be back upstairs in the church!

Peace and Blessings,
Julie

Crossroads would appreciate donations of deodorant and cleaning supplies (for example bathroom and kitchen cleaners). If you are able to help, please leave your donation in the basket near the church entrance.

Outreach Food Collection: Each week All Saints' collects food to be distributed monthly to food pantries in our area. We welcome donations of any pre-packaged, non-expired food. Thank you for your generosity!

- August: Canned Baked Beans
- September: Canned Stews and Soups

News from the "Healing of Creation" Garden

In addition to the yellow coneflower, lupine, and grasses that have been blooming, two new flowers came into bloom this week – the Northern blazing star and the spotted bee balm. The lavender blazing star begins blooming from the top and will gradually bloom all of the way down its stalk over the next month or so. The bee balm, so named for the brown spots on the light yellow flowers along the stem (see close-up photo), contains thymol, an antiseptic and was once used to treat upset stomachs, colds, and diarrhea among others.

Altar Flower Ministry

Do you have flowers in your garden that might grace the altar on a Sunday? Please contact Marybeth Hanavan (mbhanavan@gmail.com) if you would like to bring flowers on a given Sunday. Please let Marybeth know one week in advance. Thank you!

Upcoming Events
