Come and worship

Rejoice in fellowship

Love and serve the Lord!

For the Beauty of the Earth, photo from Barbara's Garden

Dear All Saints' Family,

Thank you to all who helped prepare for Andrea's Ordination on Saturday especially Gloria and Trish for decorating Rose Hall and planning the reception. Gloria and Trish were at the church every day last week

lovingly setting up tables, making centerpieces, and last but certainly not least, cutting up lots of melon. From Andrea:

Thank you so much for everything yesterday! It was a beautiful and I'm deeply grateful to all at All Saints'.

I am doubly grateful to Gloria for another of her good ideas. Several years ago she came to me suggesting that we start a bible study. We decided to have the Bible study on Wednesdays after our short Noonday Prayer. We started with 4-5 participants and little by little our group has grown.

Last year we renamed ourselves "Faith Inquirers" because our discussions are less a "study" and more an inquiry and discussion about scripture, faith, the church, and the connections with our daily lives and the world.

Yesterday we had our annual end of the year Faith Inquirers lunch. Below (scroll down to the end of this newsletter) are photos from the lunch. As one of our group pointed out, 13 of us gathered to celebrate our shared faith journey and friendship!

The prophet Hosea proclaims in a passage that we will read this Sunday, *"Let us know, let us press on to know the Lord."* We will resume our weekly faith inquiry and discussions in mid-September, *pressing on to know the Lord.* All are welcome to join. Some of us participate in-

person in Rose Hall and some via Zoom.

In other news, for the past two months, the Central High School Knights Cooking Club has been meeting in our kitchen. This was a big step up for them from the Teachers' Lounge and a hot plate. The Cooking Club is a collaboration with New Urban Arts, with their cooking teacher being a community volunteer. Each week the students learned about the ingredients, the recipes, and the food that they prepared, and got to eat their feasts, including lasagna and chocolate covered strawberries, among many other delicious items. Conversations with the New Urban Arts leadership has led to the beginnings of a new relationship between them and Southside Community Land Trust. We look forward to a growing relationship between New Urban Arts, the Cooking Club, and All Saints', with the Club resuming in the fall.

Yours in the Spirit,
Julie

Sunday's Processional and Recessional Hymns

The music for the hymns in our 1982 hymnal come from many different sources, including folk songs from many different countries including the United States, Hebrew melodies, and original compositions.

Sunday, our processional hymn's tune is Azmon, composed by German composer Carl Gotthilf Gläser in 1828. Earlier in his life he studied at the St. Thomas School in Leipzig where JS Bach taught for many years.

Our recessional hymn's tune is St. Anne, probably composed by English composer William Croft in the early 1700s who became organist at Westminster Abbey in 1708.
