*Come and worship
Rejoice in fellowship
Love and serve the Lord!*

Dear All Saints' Family,

A few Sundays ago we each wrote an intercession for the Prayers of the People for All Saints'. I put them together here so that we all can pray them over the next few weeks:

For the Universal Church

Lord God, we pray for the churches. Let there be peace among them.

That we put our thoughts and prayers in action.

For The Nation and All in Authority

That our hearts be opened to the understanding when one of us suffers we all suffer.

We pray for all the little children of the world who are without their parents.

We pray for the whole world including the US and Africa, and those nations that are suffering from bad leaders, war, civil wars, and hunger.

In this time of growing authoritarianism in this country and the world, please Lord, open peoples' eyes to kindness, understanding, tolerance, and an apprehension of what could happen to this country and the world if we continue to allow this drift to intolerance and blindness to the inevitable consequence.

We pray for trust in the moral dignity and privacy of every woman.

To guide in a godly manner, not on their own beliefs, but according to God.

If it is possible Lord, could you please endow the politicians and leaders of this benighted world with more of the unconditional love that you have given to the dogs of this world.

For our politicians, that they may work with wisdom and cooperation for the benefit of all the communities to which we belong.

For the Welfare of the World

Oh Lord, we pray for all those in harm's way with floods in Pakistan, war in Ukraine, starvation, and gangs in Haiti. We ask for your love, protection, and help for all people suffering in such great desperation.

We pray for the welfare of the world where so many are dying of hunger and disease.

We pray for the health of the planet, that it may be healed along with all living things.

We pray that this world is in peace.

Lord, we pray for the condition of the world and those who are sick. Help us to love one another. Help us to know that love is better than hate and always keep your guidance.

Lord, we pray for the world. Let there be unity among the nations.

I pray for health in all areas of the world.

I pray for peace all over the world. Amen.

*We pray for peace in the world,
the peace that only You can grant,
Peace among nations
Peace among the churches,
Peace within families,
and Peace in our hearts.*

For The Local Community

*O Lord, we ask for courage to be more compassionate to our neighbor
and thank you for your generous and kind guidance to make us a more
loving people. Amen.*

*We pray for youth in the world, and especially in Providence, who have
violence as their main goal. May God's great love lead them away from
violence.*

May God provide for our local community.

*That we may be one, united in peace and care of neighbor and all of
creation.*

For Those who Suffer and Those in any Trouble

Dear Lord, sustain those who have faith but are bound in endless weariness and loss of self-worth.

We pray for those suffering with Ebola and Covid.

We pray for those who are sick, troubled, and hurt. Lord, help them find peace.

For families not able to be together, we pray to the Lord.

That the Lord will deliver people from their suffering and give them an open heart from all the trouble that comes their way.

Heavenly Father, look with compassion on all who are suffering; give them strength they need and pour your loving peace on them. Help them to feel your presence always with them.

Lord, we pray for those who are sick and ill, both mentally and physically. Send your healing power on their bodies and minds and give them peace and grace and strength to recover and be grateful to you. In Jesus' Name. Amen.

I pray for the sick and shut in. May they be healed. Amen!

We pray for those suffering from undue anxiety and harmful thoughts, and hope that their minds and worries can be easier.

For The Departed

Lord, I pray for all whom we have lost, but know without a doubt that they are happier than they ever were before. Lord, let us know heaven on earth. Bless you Father. Bless and comfort all who grieve. Forgive the departed. Thank you, Lord.

We pray for those who have passed. May God grant them Peace.

We pray for Ernie Hirsch.

Bless Max and give him a place in your Kingdom. P.S. he would love to sing with the angel choirs.

*Hear us,
never-fading Light, Lord our God,
our only Light, Fountain of light,
Light of your angels,
thrones, dominions, principalities, powers,
and of all intelligent beings.
You created the light of your saints.
May our souls be your lamps,*

*kindled and enlightened by you.
May they shine and burn with the truth,
and never go out in darkness and ashes.
May we be your house,
shining from you, shining in you.
Through Jesus Christ, our Lord. Amen.*

All are warmly welcome to our Service of Holy Eucharist this Sunday at 9:30am.
