*E-Messenger, September 15, 2022*

*Come and worship  
Rejoice in fellowship  
Love and serve the Lord!*

*Give praise, you servants of the Lord;  
praise the name of the Lord (Psalm 113:1).*

Dear All Saints' Family,

Sunday afternoon at Lincoln Woods was a marvelous afternoon of delicious food, companionship, laughter, joy, music, football, soccer, and even dancing.

The picnic was a great success thanks to the advance planning efforts of Pattie, Elizabeth, and Rosetta. I think the buzz of fellowship in this **video** - the sound of many voices in the background, the music, and the dancing - says it all.

A warm thanks to those who could not be with us and sent along food or a donation to help with food and festivities.

And much appreciation goes to the grillers, Lyndsey and Bob Wells.

On another joyous note, congratulations to Linda and John who were married on Saturday evening. Many blessings, Linda and John.

Yours in the Spirit,  
Julie

All are warmly welcome to our Service of Holy Eucharist on Sunday at  
9:30am.

## *175th Anniversary Quilt Raffle*

The 175th Anniversary Quilt is finished! Many, many thanks, Charlotte Burgess. Tickets are on sale Sundays after our Service. Tickets are \$10 apiece or 3 for \$25. Ticket sales will end on November 3, a few days before the drawing at the 175th Anniversary Brunch on November 6th. Proceeds will go towards the Emergency Exit project in the the church.

We have learned that RI laws do not allow on-line ticket sales for raffles. We will not be selling tickets on our web site or social media. Please let us know if you wish to purchase tickets outside of Sunday coffee hour.

## *Planting Morning - “Healing of Creation” Garden*

Anticipating that Groundwork RI will have completed its work, we are planning a planting morning for Saturday, September 24, beginning at 9 am. Please join us.

We will have a fair amount of planting to do (south side of church, rain gardens, and a bit in the Memorial/Courtyard gardens). April and Charlotte will “co-captain” with Becky to work on all three areas simultaneously. Please bring gloves, a bucket or two for watering in new plants, and shovels/trowels. We want to have everything looking great for the blessing of the animals on October 9.

We will be participating in conversation about our work at the Diocesan Creation Care Conference this Saturday.

### *Rain Garden*

A rain garden is a round or oval depression that allows rainwater to collect, be filtered, and nurture the earth. This, in turn, allows for clean water, rather than polluted water, to reach our rivers and Narragansett Bay. There are rain garden (called green infrastructure, or GI) projects all over

Providence: <https://greeninfrastructureri.org/projects.php>. For those interested in what rain gardens can look like and how to construct

them, this

website <https://www.stormwaterinnovation.org/residentialguidetostormwater>, will give you some ideas.

Ours will be designed to catch the large amounts of water that run off our roof into the side yard and beyond during rain storms. Construction will take place later this month.

Deep holes will be dug and lined with gravel before soil is added on top. They will be constructed to filter our run off water and will be filled with native plants that love shade and lots of moisture. The Churchyard Redesign team will be planting soon after the gardens are finished. Our

side yard will be transformed from a flood plain to a lush garden and we will be contributing to the health of our rivers and bay.
