*E-Messenger, September 22, 2022*

*Come and worship  
Rejoice in fellowship  
Love and serve the Lord!*

*Almighty God, in giving us dominion over things on earth, you made us fellow workers in your creation: Give us wisdom and reverence so to use the resources of nature, that no one may suffer from our abuse of them, and that generations yet to come may continue to praise you for your bounty; through Jesus Christ our Lord. Amen.*

## **Transformation of the Churchyard**

Dear All Saints' Family,

This week, the major transformation of the churchyard began. It has been exciting for me to watch the changes happen over the course of four days, and a learning experience. Ground Work RI began this transformation on Monday morning, and will complete it today. Take a look at these photos to view the creation of the rain gardens and preparation for new perennial pollinator gardens.

All are invited to help with planting the new gardens this Saturday, beginning at 9:00 am. We will have a fair amount of planting to do (south

side of church, rain gardens, and a bit in the Memorial/Courtyard gardens). Please bring gloves, a bucket or two for watering the new plants, and shovels/trowels.

April and Becky attended the Diocesan Creation Care Conference last Saturday, representing All Saints'. They came away with new energy and

ideas and have signed us up to be a site for a Diocesan-wide weather monitoring network that the Bishop is organizing. Although more details are yet to come, weather stations will allow collection of information including humidity, temperature, rain fall, wind speed, etc. This kind of data gathering from around the state will offer a clearer picture of how climate change is affecting us all.

The new gardens will be blessed on October 9 along with our pets as we commemorate St. Francis.

Peace,  
Julie

All are warmly welcome to our Service of Holy Eucharist on Sunday at 9:30am.
